Dear Mr. Lister:

Re: Notice of Intention to Commence Small Mining Operations, Bullseye Project, S/023/031, Juab County, Utah

Enclosed please find a copy of a letter to the BLM regarding your Bullseye Project and your Buckskin & Sandstone Project. Please reference paragraph #1 of the letter explaining the reason for changing the status of your Bullseye Project from an exploration status to a small mining status.

The enclosed Small Mining Operation Notice of Intention is enclosed which you need to complete and return to this office for processing. This notice will alleviate the need to file a notice every year, as is required with the exploration notices. There is an annual report which needs to be submitted each year for small mining operations. The annual report form will be forwarded to you at the end of the year.

Thank you for your prompt attention in submitting the small mining notice application. Please reference file #S/023/031 for the Bullseye project in reply.

Sincerely,

D. Wayne Hedberg
